

ANTONIO BALDERAS, VOICE OF THE POOR AND,
INCARCERATED!

NO PRISON FOR OLD MEN! 9-27-19

It appears to me that the state of Illinois,
Along with other states are using prisons for the
NEW, Live in geriatric-centers, while doubling up
AS a mental institution as well, totally AND,
PURPOSEFULLY absolving the other state ran,
INSTITUTIONS and agencies from their responsibilit-
-ITIES!!!

THE genius behind such a machinations scheme
AND ploy is that poverty and crime is the
TROUGH that the state ran prisons are feeding,
FROM at a intake rate not seen sense the
ATLANTIC - slave trade...

THE OLD and infirm lay dead or dying after
ENTERING the point's off NO return, which
ARE the entry to the I. D. O. C.

THE Shame of it all is that the men Young
AND Old are cring out for redemption and
A sincere opportunity to earn their way
BACK into society, through restorative
Justice and or real prison reform...
IS prison all there is?

I SAY PRISON IS NO PLACE FOR OLD MEN.
ANTONIO BALDERAS, V. O. T. P. A. I.

PART Two,

PRACTICE through out prison across the United States, In fact prison industries have become The CASH-COW(S) for RURAL-america.

MORE over these MACHINATIONS and schemes aront new, In fact in this clever MACHIAVELLIAN plot the I.O.C., and OTHER prisons creates Jobs by EXAGGERATING the REAL dangerousness of prison...

I've coined their tactic's as the AL-CAPONE and CHI-RAO technique...

The hook is to suggest through exaggerated numbers and statistics that Illinois, I.E. Chicago and ADJOURNING suburbs are over flowing with CRIMINALS COMMUTING crimes...

In a bogus theory this statistic suggests that more guards and police are needed to help lock-up AN over flowing criminal interprizes, that ARE foaming the streets...

In ~~an~~ conclusion it's clear that the I.O.O.C has Created a SHAKESPEARIAN prison industrialized, Complex system thats disguised as a REAL REHABILITATIONAL aparatus when in fact it's A political and Economical FEEDING TROUGH for, POLITICIANS and private business owners,

TO USE AS AN INSTRUMENT FOR PERSONAL GAIN!
ANTONIO BALDERAS, V.O.T.P. A.I.
