A BILL FOR AN ACT

→ 101 CONCERNING THE IMPOSITION OF EFFECTIVE PAROLE SUPERVISION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

Under current law, an offender who is sentenced to the department of corrections (department) is eligible for discretionary parole that would occur prior to the offender's mandatory discharge date from the department. In addition, the offender has a period of mandatory parole that is imposed by the court and is served after the completion of the sentence. The bill would eliminate the second parole period, the statutory mandatory parole sentence, for offenses committed on or after July 1,

2011, and leave the remaining discretionary parole period. As a result, the parole board (board) would impose any period of parole during the offender's sentence to the department. The offender would apply for parole, and the board would determine whether to grant parole under the existing statutory scheme; except that, if the offender's parole hearing is within 15 months of his or her mandatory release date, then a majority vote of the board would be required to deny parole. An offender could not waive a parole hearing except for good cause shown. If an offender refuses to attend a parole hearing without good cause, the offender would serve the court-imposed sentence plus a period of mandatory supervised release up to 24 months after the offender has been discharged.

1 *Be it enacted by the General Assembly of the State of Colorado:*

" I hate negative people, don't you ?"

Dear Lois

I hope this letter finds you and your affairs prosperous. I am doing well and I actually got paroled (03-28-12) and am now serving a consecutive jail (supposed to be work & release) sentence in the county, the prison I was most recently in (S.C.F.), in fact the jail is right across the highway.

When I left the prison, I was forced to mail home every mailing and all property. Thereafter I had my mother re-mail to me here in this jail all the previous documents you'd sent me including all the essays/op-eds I'd previously shared with you. Once here I have been denied (a box of) these documents because some of them, as you well know, are photocopied newspaper clippings? While photocopies are allowed, clippings are not and photocopies of clippings are not allowed as well.

Subsequently, I have a box of documents I cannot access, I figure. Therefore my reason for this mailing is twofold, First I'd like to submit the so called "Please Help" for your consideration and I'm including a copy of the Senate Bill to which I'm writing about and to request (if you can) that you provide me with copies of my previous musings? if you have a record, please?

Of course I'd be willing to recompense any costs for your time and trouble as well. I thank you for your time service and consideration. It is great writing you again and I look forward to your response. always Clair

P.S. I'd appreciate if you could mail back the copy of the Senate Bill please.
